Title 29, Chapter 100, § 10004(e) (2):

All public bodies shall give notice of their regular meetings and of their intent to hold an executive session closed to the public, at least 7 days in advance thereof. The notice shall include the agenda, if such has been determined at the time, and the dates, times and places of such meetings, including whether such meetings will be conducted by video conferencing; however, the agenda shall be subject to change to include additional items including executive session or the deletion of items including executive sessions which arise at the time of the public body's meeting.
